Re: Initial Tariff Filing with the Washington Utilities and Transportation Commission

To: Newaukum Water System Customers

The Newaukum Water System (Newaukum) intends to file its initial tariff with the Washington Utilities and Transportation Commission. Newaukum will become registered with and regulated by the commission effective March 18th, 2014.

Becoming regulated should not change the way Newaukum does business. The attached sheet outlines Newaukum's rates and charges filed with the commission. All practices and policies will also be contained in the tariff. The tariff will be available on the UTC website at <http://www.utc.wa.gov>, on the website click on the "Regulated Industries" tab near the top, then click "Water", then "Company Tariffs". Newaukum will appear on the list when the tariff has been registered.

The commission protects consumers by ensuring utility and transportation services are fairly priced, available, reliable and safe. Regulated companies must obtain the commission's approval before any rates or services may be changed.

If you have any questions about the proposed filing and how it will affect you, please call Ken Lindebak, president of Newaukum Water System, at 253-939-3985.

Enclosed is a copy of the commission's Consumer Guide, which provides details about your rights and responsibilities as a customer of a regulated company. If you would like additional information about the commission, please use the contact information below:

Washington Utilities and Transportation Commission
Post Office Box 47250, Olympia, WA 98504-7250
Email: comments@utc.wa.gov
Website: <http://www.utc.wa.gov>
Telephone: 1-888-333-9882

As always, you may contact the Newaukum Water System's president, Ken Lindebak at 253-939-3985 about your water service.
