RE: Rabanco Ltd. / Lynnwood Disposal Tariff filing

Dear Mr. Lovick,

Enclosed please find a copy of the transmittal letter notifying the Washington Utilities & Transportation Commission (WUTC) of a proposed rate increase to recycling service in WUTC Tariff No. 4 for Rabanco Ltd, Certificate G-12, (dba Lynnwood Disposal). The service area of this company covers Snohomish County. The rate case recently submitted and effective as of 7/1/2014 overrepresented the number of recycle only customers and the intention of this filing is to correct that. The rate for recycling service was \$7.67 prior to the 7/1/14 rate case and was dropped by 14%. With the proposed rate recalculation the rate is expected to be \$6.90 which is still a rate reduction of 10% from rates at the beginning of the year.

If you have any questions please don't hesitate to contact me.

Sincerely,
