Secretary
Washington Utilities and Transportation Commission

Dear Sirs,

This filing is submitted by: Gary's Garbage Service, LLC, G-122.

This filing proposes a general rate increase. This increase is necessary to offset increased disposal site fees, fuel price increases, additional increases in wages and increased costs of operating expenses. If approved by the Commission, these rates would increase our revenues by approximately 29% (35,700).

In addition to the general rate increase, we are making the following changes to our tariff:

Item 80 - Charge for Drive-ins (per pickup), for each 1/10 mile over 1/10 mile

Item 100 - Adding 55 Gallon Can to Residential and Commercial.

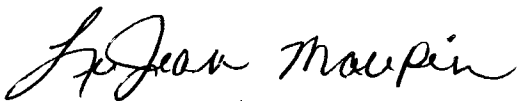

Item 240 Note 2 - Adding accessorial charges for 1 yard through 8 yard containers.

A copy of this transmittal will not be sent to any County or Local Government agency as they are not impacted by this tariff filing. There are no fees or taxes imposed by any of these agencies.

We will be mailing customer notice to all affected customers by August 20th, 2014. We will file a copy of the customer notice with your office at the same time.

If you have any questions regarding this filing, please contact LuJean Maupin. Telephone number (509) 442-3567, e-mail address is lujeanis@gmail.com
