To whom it may concern:

Please find enclosed the following tariff pages:

**WN U-3            Section III            Sixth Revised Sheet 4  
Fourteenth Revised Sheet 9**

The purpose of this filing is to make revisions to the Residential One Party Service rate and associated Lifeline Credits. These revisions are being made in response to regulatory reforms issued by the FCC, specifically Order 11-161 released on November 18, 2011, Report & Order 14-54 and Docket UT-131239 WUTC Adoption Order R-575 dated 5/22/14.

Customers were notified of these rate changes with their October 7, 2014 bills. A copy of the customer notice as well as a confidential & redacted version of the rate schedule is attached per WAC 480-07-160. The rate and revenue spreadsheet has been filed on a confidential basis due to competitively sensitive data listed on the spreadsheet. Rate element demand data can be used by competitors. Also internal billing codes are listed on the spreadsheet which should not be provided to other communications companies or to the public.

**The proposed effective date is November 7, 2014.**
