Re: The Toledo Telephone Co., Inc. - Thirteenth Revised Sheet No. 21 Canceling
Twelfth Revised Sheet No. 21.

Dear Mr. King:

Attached you will find the above-referenced tariff sheet. The purpose of this filing is to increase the business individual line service from \$14.00 to \$16.00 (14.28%) and increase the residential individual line service from \$14.00 to \$16.00 (14.28%). The filing will raise approximately \$37,896 in additional annual revenue.

This filing conforms the Company's tariff to the "urban rate floor" provisions of FCC Order No. 11-161. In the course of that Order, the Federal Communications Commission adopted new rules concerning the universal service program. The effect of those rules is to penalize any company whose residential rate plus mandatory EAS is less than \$16.00 on December 1, 2014. The penalty is a dollar-for-dollar reduction in universal service support for the Company's operations.

In Docket UT-141541, the Company filed financial information concerning its operations. In discussion with Commission Staff, this filing is based upon the information that the Company has filed in Docket UT-141541. As a result of using the financial information filed by the Company in Docket UT-141541, the Company believes this complies with the filing requirements of WAC 480-120-339.

Mr. Merten has authority to issue tariff sheets for The Toledo Telephone Co., Inc. The undersigned has authority to file said sheets on behalf of The Toledo Telephone Co., Inc.
