RE: Lincoln County Transfer Station Tipping Fee & Rate Increases - Effective January 15, 2015

Dear Sir or Madam,

I am writing this letter to notify you of the annual rate increase to be implemented at the Lincoln County Transfer Station. The rate increase will be adopted by Resolution of the Board of County Commissioners as indicated on the attached Exhibit A. Rates will become effective January 15, 2015.

Although Lincoln County strives to keep rates as low as possible, the cost we pay to dispose of solid waste remains subject to an annual price escalation based on the Consumer Price Index (CPI-U) imposed by others.

The 2015 rate increase for program fees is covered under current agreements between Lincoln County and all cities, towns, and rural haulers transporting waste outside Lincoln County.

Please don't hesitate to call me at (509) 725-7041 if you have any questions.

Sincerely,

Rick Becker
Public Works Director

BEFORE THE BOARD OF COUNTY COMMISSIONERS
LINCOLN COUNTY, WASHINGTON

IN THE MATTER OF THE ESTABLISHMENT
AND REVISION OF RATES AND FEES CHARGED AT
THE LINCOLN COUNTY TRANSFER STATION

ROAD RESOLUTION NO. 2580

WHEREAS, the Board of County Commissioners of Lincoln County having convened in Regular Session in their office at the Lincoln County Courthouse this 6th day of October, with a quorum of members present; and

WHEREAS, Lincoln County has established a Solid Waste Management Division in the Department of Public Works providing a Transfer Station for collection of Municipal Solid Waste, Household Hazardous Wastes, Recyclable commodities, providing Recycling programs and services, as well as performing water monitoring at the Harrington Landfill, and participating in the Northwest Landfill Closure; and

WHEREAS, the Tipping Fee, Transfer Station Fees, Program Fees, Recycling Operation Fees, as established by resolution, and collected, are made up of costs of hauling and land filling the collected waste, implementing the Recycling and Household Hazardous Waste Programs, operating the Transfer Station, disposing of non-recyclable commodities, providing roll-off containers, and expenses incurred in complying with the requirements in RCW 70.95.090; and

WHEREAS, the costs to dispose of solid waste remains subject to annual price escalation based in part on the CPI - U, for US City Average, all items, September to September; and

WHEREAS, it is in the public's best interest to assess fees proportionately on all waste collected in Lincoln County by solid waste collection companies operating within the unincorporated areas of the county, and subsequently transported for disposal to facilities outside of Lincoln County; and

WHEREAS, it is in the public's best interest to assess program fees proportionately on towns and cities who transport solid waste for disposal to facilities outside Lincoln County; and

WHEREAS, it is in the public's best interest to establish a fee schedule that allows for a discount for selected cash transactions and recycling roll-off container services, as well as price increases using the CPI -U for all goods August to August in part as a base for establishing annual fee increases;

NOW THEREFORE BE IT RESOLVED that this resolution supersedes all previous resolutions establishing rates and fees, and the Lincoln County Transfer Station Rate and Fee Schedule outlined in Exhibit "A", hereto attached and by this reference made part of, shall become effective January 15, 2015.

DATED this 6th day of October, 2014.
