¹ The conversion of the Company to a limited liability company was merely a change in its corporate form – the conversion was accomplished through the filing of Articles of Conversion in North Carolina and did not entail any merger or other transactions that extinguish the existence of the Company. The Company notified the Commission of the proposed conversion and resulting name change by letter filed October 22, 2013. *See* Docket Nos. UT-131980 & UT-131983. But at that time the Company had not completed the conversion or received its updated authority to transact business.

² BTI is authorized to provide competitive telecommunications services pursuant to authorization granted in Docket Nos. UT-920932 and UT-980656.
