Dear Mr. Pratt:

The Port has reviewed the above petition and does not take a position regarding the merits of the petition. The purpose of this letter is to inform the WUTC that the Port and the City of Woodinville have a contract for Woodinville's acquisition of the land subject to the petition. Pending approval from the Surface Transportation Board, the expected closing date for the transaction is January 22, 2015, with an extension to March 31, 2015, if the Surface Transportation Board has not issued its approval by January 22nd.

Sincerely,

Joe McWilliams
