RE: Preliminary Draft Plan Review, 2015 Clark County Comprehensive Solid Waste Management Plan

Dear Mr. King:

The Washington State Department of Ecology (Ecology) received the draft 2015 Clark County Comprehensive Solid Waste Management Plan (plan) electronically on January 13, 2015. Ecology is providing your agency with a copy of the preliminary draft plan as required.

Clark County submitted this plan and supporting documents electronically to Ecology and I am forwarding those documents electronically to your agency. Please accept this letter as a request for review. Please forward any comments to me once you have completed your forty-five day review period. Ecology's one hundred and twenty day draft review period ends May 13, 2015.

Thank you for your continued cooperation and assistance in the review of solid waste management plans. If you have any questions, please contact me at 360-407-6471 or Julie.Robertson@ecy.wa.gov.

Sincerely,

A handwritten signature in cursive script that reads "Julie Robertson".
