RE: Actual Results for the Quarter Ended December 31, 2014

In compliance with WAC 480-100-275, Pacific Power & Light Company, a division of PacifiCorp (Pacific Power or Company), submits for filing an original and one copy of the actual results for Washington operations for the quarter ended December 31, 2014. These results are based on unadjusted data and do not reflect normalized results or other standard ratemaking adjustments. The quarterly results of operations were determined using the West Control Area inter-jurisdictional allocation methodology. In Docket No. UE-072123, Order 03, the Company was granted a 30-day extension of time to file these reports changing the due date from 60 to 90 days following the end of each quarter through the quarter ending June 30, 2017.

If you have any informal inquiries regarding this matter, please contact Bryce Dalley, Director, Regulatory Affairs & Revenue Requirement, at (503) 813-6389.

Sincerely,

R. Bryce Dalley
Vice President, Regulation
