RE: **One Day Filing** - Fiorito Enterprises Inc & Rabanco Companies Tariff Revision (d/b/a Kent – Meridian Disposal / Allied Waste Services of Kent / Republic Services of Kent)

Dear Mr. King,

Please accept the attached revised tariff pages for Fiorito Enterprises Inc & Rabanco Companies, Certificate G-60 (DBA Kent-Meridian Disposal). On July 1, 2015 Tariff updates to rates were made as the result of a general rate case and a Commodity Credit adjustment at the same time. There was confusion resulting from late rate adjustments that were not incorporated into the pages adjusted by the Commodity Credit filing. The attached adjustments are to set rates back to those set in the General Rate Case Process.

Sincerely,
