**Public Notice of change: Lady Express service summer service returning to normal Schedule**

September 29, 2015

To whom it may concern:

We have submitted to the W.U.T.C. to resume the normal Lady Express summer service schedule. This schedule was interrupted briefly in late August and early September, 2015 due to the fires in our area. This schedule begins again on Memorial Day Weekend 2016.

Sincerely,

*Jack Raines, President*
