UTILITIES AND TRANSPORTATION COMMISSION**

In the Matter of Determining the Proper)	DOCKET TV-160212
Carrier Classification of, and Complaint for)	
Penalties against:)	
NICHOLAS GRIFFIN)	DECLARATION OF
_____)	MEGAN BANKS
)	

Megan Banks, under penalty of perjury under the laws of the State of Washington, declares as follows:

1. I am employed by the Washington Utilities and Transportation Commission (Commission) as a Compliance Investigator in the Consumer Protection Section. As a Compliance Investigator, my responsibilities include conducting investigations regarding the business practices of regulated utility and transportation companies. As part of those duties, I investigate household goods carriers that may be operating without the required Commission permit.
2. I began an investigation into the activities of Nicholas Griffin in November 2014, after finding an advertisement on www.craigslist.org offering moving services. The advertisement included a telephone number, (206) 931-3530, and a name, Nick.¹
3. On November 17, 2015, I conducted a reverse search on www.westlaw.com for (206) 931-3530. The search produced a listing for Nicholas Griffin at 5410 212th St. SW, Apt. 1202, Mountlake Terrace, WA 98043-6024.²
4. On November 18, 2014, I sent an email through www.craigslist.org requesting an estimate for a move from a studio apartment in Queen Anne to a one-bedroom apartment in Ballard. I also asked if a truck was included in the price. On the same day, I received an email response from a man who identified himself as "Nick." "Nick" stated that it typically would cost about \$150 to \$200 to move a studio apartment and that a truck was included in the price. He also told me that he would need more information to give a more accurate bid.³
5. I reviewed Commission records related to Nicholas Griffin to determine whether the company held a household goods permit. According to Commission records,

¹ See Attachment A for an advertisement for Nicholas Griffin posted on www.craigslist.org, which I printed on November 17, 2014.

² See Attachment B for www.westlaw.com cover page, which I printed on November 17, 2014.

³ See Attachment C for a copy of the email exchange with "Nick," which I printed on November 19, 2014.

as of February 10, 2016, there is no record Nicholas Griffin now (or ever) held a household goods permit.

6. On January 15, 2015, commission staff sent a compliance letter to Nicholas Griffin, at 4813 SW Dawson, Seattle, WA 98136, (1) outlining the licensing process for household goods movers, directing Nicholas Griffin to (2) become licensed within a reasonable time, (3) cease unpermitted operations, and (4) outlining the consequences of operating as an unpermitted household goods mover in Washington State. Mr. Griffin was required to respond or apply for a permit by January 29, 2015. Mr. Griffin contacted me on January 20, 2015, following his receipt of the compliance letter, to discuss commission rules.
7. On January 27, 2016, I found an advertisement on craigslist.org offering moving services. The advertisement stated to call "Nick" and provided a telephone number, (206) 931-3530.⁴ A search on craigslist.org for (206) 931-3530 produced 73 advertisements.⁵
8. On January 27, 2016, I sent a text message to (206) 931-3530, requesting a move from a one-bedroom apartment in Queen Anne to an apartment in Burien. I also asked if this was "Nick." On the same day, I received a text message response from a person who indicated he was "Nick." "Nick" provided me a quote of \$400 flat including a truck. He also said he would rent a small U-Haul for me as my stuff would not fit in his cargo van.
9. On February 10, 2016, I confirmed that no permit application had been submitted for "Nicholas Griffin." A search on www.craigslist.org produced a current advertisement offering multiple services, including moving. The advertisement stated to call "Nick" and provided a telephone number, (206) 931-3530.⁶
10. On February 10, 2016, I sent a text message to (206) 931-3530, asking if this was "Nick" and requesting to move a few household goods items from Ballard to Queen Anne. "Nick" responded that it would cost \$80 to move a few items and he would do a donation run to Goodwill for \$60. He stated that the quotes included him and his van.

DATED this 2 day of March, 2016, at Olympia, Washington.
