Dear Mr. King:

Re: Western Wahkiakum County Telephone Company –  
Tariff WN U-4 –  
Revisions to Schedule 1 (“Basic Exchange Service Local  
Service Exchange Access Line and Trunk Rates”)

On behalf of Western Wahkiakum County Telephone Company d/b/a Wahkiakum West Telephone (“Company”), submitted herewith for filing, in .pdf electronic format, are the originals of the following new or revised sheets to the Company’s Tariff WN U-4:

Third Revision of Sheet No. 31.2  
Original Sheet No. 31.3

The accompanying tariff revisions modify Schedule 1 (“Basic Exchange Service Local Service Exchange Access Line and Trunk Rates”) of the Company’s Tariff WN U-4 (“Tariff”) to adjust the Company’s offering of PBX trunks. The Company is in the process of deploying a new central office switch, which, while enhancing the Company’s ability to provide additional services, is expected to limit the Company’s ability to provide analog PBX trunks. The proposed tariff revisions (i) add a new Condition 11 to Schedule 1 of the Tariff, so as to make clear that the Company’s offering of PBX trunks pursuant to that schedule is subject to the capabilities of the Company’s installed facilities and software, which may be changed or discontinued by the Company at its convenience, and (ii) modify Condition 10 of that same schedule so as to exempt from the minimum service period and termination liability, which would otherwise apply pursuant to that condition, PBX trunks that are discontinued by the Company as a result of a change or discontinuance of the above-mentioned capabilities.

The accompanying tariff sheets have an issued date of March 17, 2016, and an inserted effective date of April 17, 2016.

Pursuant to WAC 480-80-103(4)(a), on the Company’s behalf, the undersigned hereby certifies that he is authorized to issue tariff revisions on behalf of the Company.
