**NOTICE OF PENALTIES INCURRED AND DUE  
FOR VIOLATIONS OF LAWS AND RULES**

**PENALTY ASSESSMENT: D-161118  
PENALTY AMOUNT: \$11,000**

Barrett's Enterprise, Inc.  
P.O. Box 614  
Graham, WA 98338

The Washington Utilities and Transportation Commission (Commission) believes you have violated Revised Code of Washington (RCW) 19.122.030(1) by failing to provide notice to a one-number locating service for an excavation area. In addition, the Commission also believes you have violated RCW 19.122.030(2) for failing to wait the required two business days after requesting locates from a one-number locator service. RCW 19.122.070(1) states, in part, that violation of any provision of the chapter is subject to a civil penalty of not more than one thousand dollars for an initial violation and not more than five thousand dollars for each subsequent violation within a three-year period.

The Commission reviewed findings and recommendations made by the Washington State Dig Law Safety Committee (Safety Committee) and hereby notifies you that it is assessing a penalty against you in the amount of \$11,000 on the following grounds:

The Safety Committee received three complaints against Barrett's Enterprise, Inc. (Barrett's Enterprise) regarding potential violations of the Washington State Dig Law, RCW 19.122, for work performed in 2016. The complainant in these cases is the City of Lacey. The Safety Committee reviewed these complaints on Sept. 21, 2016.

The Safety Committee found that Barrett's Enterprise committed one violation of RCW 19.122.030(1) by failing to provide notice to a one-number locating service for an excavation area and two violations of RCW 19.122.030(2) by failing to wait the required two business days after requesting locates from a one-number locator service. The Safety Committee recommended a \$1,000 penalty for the first violation of RCW 19.122.030(1), and \$5,000 for each of the two subsequent violations of RCW 19.122.030(2).

The Safety Committee further recommended that \$10,000 of the total \$11,000 penalty amount should be deferred and ultimately waived on the conditions that (1) Barret's Enterprise owners and all crews complete National Utility Contractor Association (NUCA) Dig Safe Training within 90 days of the Notice of Penalty Assessment (Notice) and; (2) Barrett's Enterprise has no further violations of RCW 19.122.030 within 12 months of the Notice. If Barrett's Enterprise fails to comply

with either of these conditions, the \$10,000 deferred penalty would become immediately due and payable.

Pursuant to RCW 19.122.150(3), the Commission has considered the Safety Committee's determination and partially adopts its recommendation. The Commission agrees with the Safety Committee's determination that three violations occurred but finds that a more stringent penalty amount would provide a more appropriate incentive for future compliance with the statute. Staff's research indicates that Barrett's Enterprise has a significant history of requesting utility locates and that the violations were the result of company negligence, not lack of knowledge of the requirements of Washington State's Dig Law.

Therefore, the Commission assesses a penalty of \$11,000, but will suspend \$7,000 of the penalty on the conditions that (1) Barrett's Enterprise owners and all crews complete NUCA Dig Safe Training within six months of this Notice, and (2) Barrett's Enterprise has no further violations of RCW 19.122.030 within 12 months of this Notice. The Commission will waive the suspended penalty amount of \$7,000 if Barrett's Enterprise complies with both conditions. If Barrett's Enterprise fails to comply with either of these conditions, the \$7,000 deferred penalty will become immediately due and payable, in addition to any new penalties that the Commission might assess for additional violations.

This information the Safety Committee provided to the Commission, if proved at a hearing and not rebutted or explained, is sufficient to support the penalty assessment.

Your penalty is due and payable now. If you believe any or all of the violations did not occur, you may deny committing the violation(s) and contest the penalty assessment through evidence presented at a hearing or in writing. The Commission will grant a request for hearing only if material issues of law or fact concerning the violation(s) require consideration of evidence and resolution in a hearing. Any contest of the penalty assessment must include a written statement of the reasons supporting that contest. Failure to provide such a statement will result in denial of the contest.

If you admit any or all of the violations but believe there is a reason for the violation(s) that should excuse you from the penalty, you may ask for mitigation (reduction) of this penalty through evidence presented at a hearing or in writing. The Commission will grant a request for hearing only if material issues of law or fact require consideration of evidence and resolution in a hearing. Any request for mitigation must include a written statement of the reasons supporting that request. Failure to provide such a statement will result in denial of the request.

If you properly present your request for a hearing and the Commission grants that request, the Commission will review the evidence supporting your dispute of the violation(s) or application for mitigation in a Brief Adjudicative Proceeding before an administrative law judge. The administrative law judge will consider the evidence and will notify you of his or her decision.

**You must act within 15 days after receiving this notice** to do one of the following:

- Pay the \$11,000 amount due;
- Pay \$4,000 of the total penalty and notify the Commission that you accept the offer to suspend, and ultimately waive, \$7,000 of the penalty amount due on condition that Barrett's Enterprise employees attend the "Dig Safe" training provided through NUCA within six months of this Notice, submit documentation of that attendance to the Commission within five (5) days of attending the training, and commit no further violations of RCW 19.122.030 within the next 12 months.
- Request a hearing to contest the occurrence of any or all of the violation(s); or
- Request mitigation to reduce the amount of the penalty.

Please indicate your selection on the enclosed form and send it to the Washington Utilities and Transportation Commission, Post Office Box 47250, Olympia, Washington 98504-7250, **within FIFTEEN (15) days** after you receive this notice.

**If you do not act within 15 days**, the Commission may refer this matter to the Office of the Attorney General for collection. The Commission may then sue you to collect the penalty.

DATED at Olympia, Washington, and effective November 9, 2016.
