Re: Supplement to the Informational Filing Regarding a Pro Forma Change to Peerless Network, Inc.; Docket No. UT-170107

Dear Director King:

Per the request of the Customer Service Department of the Washington Utilities and Transportation Commission ("Commission"), Peerless Network, Inc. ("PNI"), on behalf of its Washington operating subsidiaries, Peerless Network of Washington, LLC and Airus, Inc., supplements its February 14, 2017 letter associated with Docket No. UT-170107 to provide the date of closing for the transaction of December 13, 2016.

PNI understands that this letter signifying the closing date is needed in order for the Commission to formally close the docket. Please let me know if the Commission has any questions or requires further information.

Respectfully submitted,

**PEERLESS NETWORK, INC.**
