Re: Revision to Recycling Program Description, tariff item 100, Page 23, for American Disposal Company, Inc., d/b/a Vashon Disposal, G-87

Dear Mr. King:

On behalf of American Disposal Company, Inc., please find revised tariff page 23. Vashon Disposal will begin providing 96 gallon roll carts to customers to replace the current 3-bin recycling system in October 2017. There is no proposed change in the recycling rate at this time, only a change in the recycling program description on the above mentioned tariff page.

Thank you,
