Re: Adams County Draft SWMP request for Ecology Preliminary Draft Review

Dear Meagan:

Please accept this letter as request for Ecology's preliminary review of the draft Adams County Solid Waste and Moderate Risk Waste Management Plan dated July 2017. Enclosed are the following:

- Digital copy of the Adams County Draft Solid Waste and Moderate Risk Waste Management Plan dated July 2017.
- Evidence of SWAC participation from the June 19, 2017, SWAC meeting.
- Copy of the draft unexecuted inter-local agreements for the cities and towns of Othello, Ritzville, Lind, Washtucna and Hatton.
- Completed WUTC cost assessment questionnaire included as Appendix H.
- The SEPA checklist is included in Appendix G. Final SEPA compliance will be included with the final draft for Ecology's review.

Please acknowledge your receipt of this package and advise when we can expect your comments.

Sincerely,

A handwritten signature in blue ink, appearing to read "Todd O'Brien", is written over a light blue horizontal line.

Todd O'Brien, P.E.
