Re: Notice Regarding TeleQuality Communications, LLC

Dear Mr. King:

In a letter dated October 24, 2017, I notified the Commission that TeleQuality Communications, Inc. ("TeleQuality"), a certified provider of intrastate long distance services in Washington, would be acquired by Education Networks of America, Inc. ("ENA").

The purpose of this letter is to inform the Commission that the transaction closed on January 2, 2018 and TeleQuality is now a wholly owned subsidiary of ENA. As described in the October 24 letter, this change of control at the parent level will have no impact on the rates, services, and management of TeleQuality (which is now a limited liability company domiciled in Delaware) and will therefore be transparent to the company's two customers in Washington.

Please contact me at 615-252-2363 or at [hwalker@bradley.com](mailto:hwalker@bradley.com) if you have any questions about this filing.

Sincerely,

BRADLEY ARANT BOULT CUMMINGS, LLP
