Re: Response Copies of FCC Form 481
UT-180004

Dear Mr. King;

Pursuant to requirements that ETC's provide response copies of FCC Form 481 to the Washington Utilities and Transportation Commission, Salish Networks has been notified by USAC that we are not required to file for the reporting period of 2017.

A copy of my email exchange between Salish Networks and USAC has been filed electronically.

Sincerely,

Travis Hill

As long as you do not expect to receive support in 2019, you would not be required to file the 481. Thanks, Elizabeth
