About

Emmanuel and Sam Samuels are two brothers with a passion to move. Born and raised in Chicago, IL these two brothers made their way to WA when Sam joined the Navy. Shortly after they both decided to create their lives and home in Everett, WA. Their favorite part of WA was the beauty the constant rains created, the mountains and all the scenery. Emmanuel entered the moving industry and Sam followed shortly after. Their strength aided them in making moves easier for the customers they served. They enjoyed the joy and relief on customers faces when their belongings were set in their new home. Emmanuel continued to work part time in the moving industry as Sam worked full time for 10+ years. Their passion led to their vision and their vision to reality when they purchased their first truck in 2014. Doing small moves and stopping for a while each brother had a bit to learn of this highly competitive industry. Sam and Emmanuel are back at it again and better equipped than ever to "Make your Move Easier" if you'll let them. Experience, Passion, Detailed and Skilled these are some of the quality's that set them apart and that what gives them their unique edge in this industry, themselves

These guys came in absolute clutch at the drop of a hat when every other mover we called either balled out or tried to scam us. They worked very efficiently and carefully. A great group of gentleman. Would highly recommend for any moving job. Should've hired them first.

These guys were great. Alex was quick to respond to my request to haul away my junk/trash. His price was reasonable, he and his brother worked quickly and they also helped with relocating some furniture for me. Great experience working with them.

RE: Household Goods Moving in Washington State

Dear Mr. Samuels:

The Utilities and Transportation Commission has information that you are conducting household goods moves within the state of Washington. Advertisements for your household goods services have been found on www.craigslist.org, www.facebook.com, www.samuelsbrothersmovers.com and www.yelp.com. You do not have a valid permit, as required by state law, to conduct this type of work. Conducting household goods moves requires a permit issued by the commission.

To avoid enforcement action, your complete household goods permit application, supporting materials, and application fee must be submitted to the commission by **Feb. 15, 2018**.

Until you obtain a permit, you must immediately cease operating as a household goods mover in Washington State. Operating as a household goods mover without the required permit is illegal and subject to a penalty of **\$5,000 per violation**.¹ This means that you may receive this penalty for each day you operate in violation of the law.

You must also immediately cease advertising as a household goods mover in Washington State. Advertising for the transportation of property for compensation in Washington without a proper permit is against the law. The penalty for advertising without a permit is **\$5,000 per violation**. This means that you may receive a penalty for each and every advertisement. At this time, the commission has documented advertisements for household goods moving services from Samuels Brothers, L.L.C.

If you advertise or operate as a household goods mover without a permit, the commission will take enforcement action against you. Such action may include the above-mentioned

¹ RCW 81.80.075

financial penalties; and you will be served with a subpoena and be required to appear before a judge.

Again, to avoid enforcement action, your complete application, supporting materials, and application fee must be submitted to the commission by **Feb. 15, 2018**.

If you have questions about the household goods laws, please contact Brian Braun, Compliance Investigator, at (360) 664-1129.

Should you decide to apply for a household goods moving permit, please note that you still may not operate as a household goods mover in Washington State until you have received a permit. To request a permit application, please call (360) 664-1222. You may also download an application from the commission's website at www.utc.wa.gov/mover.

Sincerely,
