Mr. Wang,

The UTC has your company listed as active. To close Senda Intl LLC, please complete a [Voluntary Cancellation Form](#) and submit the form to the [commission's E-filing Portal](#). As part of closing, you still need to complete and submit an annual report, just complete the portions applicable to your companies operations.

If you have additional questions on this process, please contact the Records Center at 360-664-1234 or [Records@utc.wa.gov](mailto:Records@utc.wa.gov).

Regards,

**Subject:** Hi benjamin,

Hello,

The company senda international is already closed and has been out of service since last year. What do i need to do to file this document with your department to let you know it is no longer in business?

Thank you!
