Dear Sirs,

This is submitted by: Gary's Garbage Service, LLC, G-122

This filing proposes a general rate increase. This increase is necessary to offset increased disposal site fees, fuel price increases, additional increases in wages and increased costs of operating expenses. If approved by the Commission, these rates would increase out revenues by approximately 13.12% (32,108).

In addition to the general rate increase, we are making the following changes to our tariff:

Item 100 – Adding 5-32 gallon cans, 4-45 gallon cans, 2-50 gallon cans, 3-50 gallon cans, 2-55 gallon cans, 3-55 gallon cans and 2-64 gallon cans to Residential.

Item 100 – Decreasing 3-32 gallon cans and 4-32 gallon cans.

A copy of this transmittal will not be sent to any County or Local Government agency as they are not impacted by this tariff filing. There are no fees or taxes imposed by any of these agencies.

We will be mailing customer notice to all affected customers by April 1<sup>st</sup>, 2018. We will file a copy of the customer notice with your office at the same time.
