RE: Tariff Submittal, Original Tariff Number 13, Harold LeMay Enterprises, Inc. dba Harbor Disposal and Eastern Gray's Harbor Disposal G-98.

Dear Mr. King:

Attached please find original pages for Tariff Number 13, for Harold LeMay Enterprises, Inc. dba Harbor Disposal and Eastern Gray's Harbor Disposal.

With this filing, we respectfully request the Commission approve a general rate increase to recover new capital, and higher costs for wages, employee benefits, and general operating costs.

The increase is proposed as follows: Residential garbage service \$21,000, 1.47%; residential recycling service \$78,000, 12.77%; commercial service \$15,000, 1.47%; and roll-off service \$7,000, 1.47%. There are approximately 6,400 residential; 1,800 commercial; and 40 roll-off customers affected by this change.

The last general rate increase approved by the Commission became effective January 1, 2011.

Attached are the proposed tariff pages containing the increased rates, as well as supporting documentation for those changes. If these rates are approved by the Washington Utilities and Transportation Commission they are intended to become effective on June 1, 2018.

A rate increase notification letter will be mailed to all customers affected by these proposed changes no later than May 1, 2018. A notice letter will also be delivered on or before March 1, 2018 to the office of the Gray's Harbor County Council Chair.

We are seeking exemption from certain workpaper rules listed in WAC 480-07-520 by following the provisions of WAC 480-07-110. Exemptions are requested to allow some of the workpapers rules to be applied to Gray's Harbor operations only (the tariff filing entity), as opposed to Harold LeMay Enterprises, Inc. as a whole.

Included in this filing is our non-regulated operation, as our regulated and non-regulated operations share one facility. To protect certain non-regulated proprietary financial information we are filing a portion of this filing as confidential, and are filing in accordance with WAC 480-07-160
