Re: Pacific Power's Commission Basis Report for period ended December 2017

Pacific Power & Light Company (Pacific Power), a division of PacifiCorp, submits its 2017 Commission Basis Report for the twelve-month period ended December 2017 in accordance with WAC 480-100-257. This annual report summarizes actual and normalized results of operations for the twelve months ended December 31, 2017, as assigned and allocated to Washington electric utility operations. This report is based on recorded costs allocated using the West Control Area inter-jurisdictional allocation methodology (WCA).

In compliance with Order 12 in Docket UE-152253, Pacific Power also submits a report of decommissioning and remediation expenses and revenues for the coal-fired generating plants in the WCA.¹

Please direct any informal questions to me at (503) 813-5410.

Sincerely,
