**Re: Advice No. 2018-27  
PSE’s Natural Gas Tariff Filing**

Dear Mr. Johnson,

Pursuant to RCW 80.28.060 and WAC 480-80-101 and WAC 480-80-105(1)(c), please find enclosed for filing the following proposed revisions to the WN U-2 Tariff for natural gas service of Puget Sound Energy (“PSE”):

**149<sup>th</sup> Revision of Sheet No. 101-A Schedule 1, Tax Adjustment (Continued)**

The purpose of this filing is to implement a new 6 percent utility tax within the City of Edgewood (the “City”). A copy of the approved City Ordinance 18-0520 is enclosed. PSE estimates the resulting annualized increase in gross revenues from natural gas operations and the corresponding taxes due to be \$125,000.

The tariff sheets described herein reflect issue dates of May 2, 2018, and effective dates of June 2, 2018. Posting of proposed tariff changes, as required by law and the Commission’s rules and regulations, is being completed through web, telephone and mail access in accordance with WAC 480-90-193. Pursuant to WAC 480-90-195, notice to customers will be provided in the first billing after the tariff revisions become effective. The 7,100 natural gas customers within the City will receive notification in the form of a bill message.
