Re: Iliad Water Company, LLC – First Revised Sheet No. 18.1 Canceling Original
Sheet No. 18.1; Original Sheet No. 18.5 – Filing No. 10334

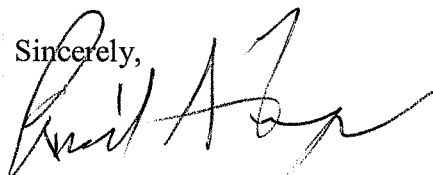

Dear Mr. Johnson:

Attached as work papers for the above filing you will find a resolution by the Clallam PUD establishing its new rates. In addition, attached you will find a copy of the notice from the City of Monroe establishing its new rates. Please note that the City of Monroe treats Marbello Water Company as a single customer and therefore charges the highest rate band for usage.

Commission Staff has requested any work papers as to how the new rates were calculated. Since this is a direct pass through, there was no calculation. Rather, the rates established by Clallam PUD and the City of Monroe replaced the existing tariff rates. Since this is a usage based rate, the rate itself changes without a need for further calculation.

These matters are work papers related to Filing ID No. 10334.

Sincerely,

RICHARD A. FINNIGAN
