Re: Bainbridge Disposal, Inc., G-143, Disposal Rate Increase

Dear Secretary:

This filing is submitted by: Bainbridge Disposal, Inc., G-143. Attached is Tariff No. 17 to be effective July 1, 2018.

This filing proposes a disposal fee only increase. This increase is necessary to offset increased disposal site fees. The rate increase is a direct pass-through from the County to increase disposal rates. A disposal fee increase falls within the definition of a general rate increase pursuant to WAC 480-07-505.

A copy of this transmittal letter will be mailed to the Chair of the Kitsap County, WA Commissioners and City Manager of the City of Bainbridge Island, WA.

We are requesting the proposed effective date for the tariff revisions to be July 1, 2018. We are requesting less than statutory notice for this filing due to time constraints of our workload at this time. We worked with staff to ensure an accurate calculation of the disposal fee increase prior to filing. We are including the LSN Form as required.

We are also requesting an exemption from the work paper filing requirements of WAC 480-07-520(4). This is a disposal fee only case and as such we are allowed to petition for this exemption in order to minimize the cost and work associated with this filing.

My authority to file on behalf of Bainbridge Disposal, Inc. is on record. If there are any questions please contact me via phone at 360-425-8000, fax at 360-425-8005 or email jdavis@boothdavis.com.
