RE: Tariff Submittal, Tariff Number 2, Original Tariff, American Disposal Company, Inc., dba Vashon Disposal

Dear Mr. Johnson:

Attached please find revised pages for Original Tariff Number 2, for American Disposal Company, Inc., dba Vashon Disposal.

With this filing, we respectfully request the Commission approve a general rate increase to recover new capital, and higher costs of employee wages, benefits, fuel and general operating costs.

The increase is proposed as follows: Residential service \$37,500, 8.06%; commercial service \$25,600, 8.06%; roll-off service \$1,800, 8.06%; and residential recycling service \$55,300, 53.4%. There are approximately 2,000 residential; 230 commercial; 10 roll-off; and 900 recycling customers affected by this change.

The last general rate increase approved by the Commission became effective January 1, 2013.

Attached are the proposed tariff pages containing the increased rates, as well as supporting documentation for those changes. If these rates are approved by the Washington Utilities and Transportation Commission they are intended to become effective on January 1, 2019.

Included in this filing is our non-regulated operation, as our regulated and non-regulated operations now share one facility. To protect certain non-regulated proprietary information we are filing a portion of this filing as confidential, and are filing in accordance with WAC 480-07-160.

A rate increase notification letter will be mailed to all customers affected by these proposed changes no later than November 30, 2018. A notice letter will also be delivered on or before November 30, 2018 to the office of the King County Council Chair.
