

## REQUEST FOR PERMISSION TO FILE AN INDIVIDUAL TARIFF

TO: Washington Utilities and Transportation Commission  
1300 S. Evergreen Park Drive SW  
PO Box 47250  
Olympia, WA 98504-7250

I request permission from the Washington Utilities and Transportation Commission to publish and file an individual tariff for the intrastate transportation of:

Check one or more:    Pianos    Organs    Keyboards    Other (describe below)

Household goods transported by independent contractors

---

In the following territory:

Entire State of Washington       Specific County(s) \_\_\_\_\_

The business operations conducted by this company do not lend themselves to the use of the Household Goods Moving Tariff No.15-C for the following reasons:

Dolly's software uses a dynamic pricing algorithm that deviates from Household Goods Moving Tariff No. 15-C. In almost all instances, Dolly's guaranteed price will always be lower than the Commission's rates found in Household Goods Moving Tariff No. 15-C.

As such, I request permission be granted to allow this company to publish and file an individual tariff.
