RE: Tariff Submittal, Tariff No. 2, American Disposal Co., Inc./Vashon Disposal G-87 – King County Hazardous Waste Tax Change

Dear Mr. King:

The King County Board of Health voted to update the Hazardous Waste Tax effective January 1, 2019, approved regulation attached.

These are pass-through fees assessed based on the level-of-service. There are approximately 2,250 residential, 220 commercial and 7 roll-off customers affected by this change. Please note customers will not be back-billed for the increase in taxes for the period of January 1, 2019 – September 1, 2019 (see LSN request below).

The customers will be notified of the updated tax rate structure on the first billing reflecting the change in tax.

We respectfully ask that this filing be accepted under LSN, per WAC 480-70-276. If the LSN is accepted and these rates are approved by the Washington Utilities and Transportation Commission, the revised commodity price adjustment will go into effect on September 1, 2019. Pursuant to WAC 480-70-271(2)(a)(vi), affected customers will receive notification of this change on the billing reflecting the revised rates.

If you have any questions regarding this filing, please contact me at (360) 695-4923 or via email at [heatherg@wcnx.org](mailto:heatherg@wcnx.org).

Sincerely,

Heather Garland
