Re: Tipping Fee Increase 2020

Booker Nagley:

Effective January 1, 2020, the tip fee at the BDI Transfer Station will increase to \$51.96 per ton for municipal solid waste and commingled recyclables delivered to our facility by your company.

An Increase in rates from Finley Buttes Regional Landfill to Columbia Basin, L.L.C. (which increases December 1, 2019), general CPI increases, and Basin Disposal, Inc.'s request to extend the hours of operation at our transfer station from 5:30 A.M. – 5:00 P.M. to 3:00 A.M. – 9:00 P.M. (effective September 1, 2019), necessitate the increase in our tip fee rates.

Columbia Basin, L.L.C. has a long-term contract with the Finley Buttes Regional Landfill. Effective December 1, 2020, Finley Buttes annual rate increases/decreases to CBLLC will be based on the CPI as described in the attached Solid Waste Agreement. Basin Disposal has long-term rolling contracts with several cities within its service area. Columbia Basin, L.L.C. has is providing said services to Basin pursuant to oral agreement.

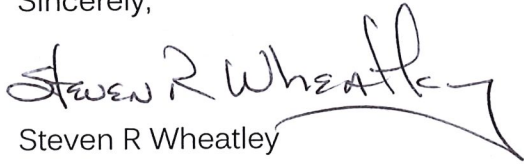

DIVISIONS OF COLUMBIA BASIN L.L.C.

In the best interest of both parties, the parties should fully document and outline the terms of their agreement related to continuing their business relationship. Therefore, we have included with this letter a proposed Solid Waste Agreement between Columbia Basin, L.L.C. and Basin Disposal, Inc.

This Solid Waste Agreement allows both parties to project company costs, amortize equipment over a longer period, and stabilize rates going forward. Please review and make any comments and/or changes you feel are needed to this Agreement.

Sincerely,

A handwritten signature in black ink that reads "Steven R Wheatley". The signature is written in a cursive style with a large, sweeping flourish at the end.

Steven R Wheatley  
General Manager  
Columbia Basin, L.L.C.
