Subject: LSN - Time Schedule change

Dear Sirs,

Travel has effectively stopped and our scheduled Airporter service has no passengers. We request that effective March 21, 2020 the following emergency time schedule be implemented by CWA, Inc.

The LSN is needed because we can not continue our regular schedule. We believe that we have adequate savings to support the changes that are outlined in the LSN schedule for a couple of months

Sincerely

Richard Johnson  
President
