RE: Tariff Submittal, Tariff Number 8, Columbia River Disposal, Inc., Certificate Number G-48.

Dear Mr. Johnson:

We respectfully request to update the rates under G-48 to reflect the increase in disposal fee from \$76.67 to \$78.69 per ton, a 2.63% increase. This increase reflects the current practice of disposing all solid waste collected within Skamania County at the Skamania County Transfer Station. This will increase revenue from residential customers by approximately \$2,700 (0.50%); commercial customers by \$2,900 (0.53%); and drop box customers by \$4,500 (2.63%) for a 12-month period. There are approximately 1,700 residential, 240 commercial, and 19 drop box customers affected by this change.

The last general rate increase for G-48 became effective April 1, 2018.

Although Columbia River Disposal, Inc. includes G-48 and G-51 and share financial statements, this change only affects G-48.

Attached are revised pages as well as supporting documentation to justify this increase. We respectfully ask that this this filing be accepted under Less than Statutory Notice (LSN,) per WAC 480-70-276. Should the Commission accept this filing under LSN, we request this filing become effective May 1, 2020.

Pursuant to WAC 480-70-271(2) (iii), affected customers will receive notification of the change on the first billing reflecting the revision to rates.

If you have any questions regarding this filing, please contact me at (360) 695-4923, via email at [HeatherG@WasteConnections.com](mailto:HeatherG@WasteConnections.com).
