(Tariff, time schedule, etc.)

Present provisions are:  
See Attached

Proposed changes are:

Indicate below, or attach, an explanation of the reason the company requests permission to file and publish the proposed provisions with less than statutory notice.  
Due to COVID-19 and related reduced air travel, public health restrictions, and public fears we are requesting a suspension of service until April 18, 2020. Due to limited-to-no passengers there is insufficient revenue to operate. Naval Air Station Whidbey has suspended all travel, and Whidbey Island population public health advisories recommend "No Travel". We are accommodating short term reservations to ensure customers are not stranded and provide ample time for future reservations to seek alternative transportation. Our plan is to keep the company functioning with office hours and website to inform the public and assess the public health crisis in 30 day increments, and return to our normal time schedule once travel is deemed safe again.
