RE: Main Line Extension for Northwest Water Company LLC

This is a main line extension contract. Please see attached manual, application and agreement.

Explanation of costs:

Manual fee=\$50.00. The manual is a 45-page document that was printed out and mailed via USPS to developer of the main line extension. This fee covers printing, postage and administrative fees.

Application review fee= \$250.00. The application review fee is to determine serviceability, calculate project estimate by engineer and administrative fees.

Agreement fee=\$300.00. This fee pays the Department of Health approval fee and is stated in the manual that the developer of the main line extension pays this fee.

Thank you,
