Re: TV-201001- Voluntary Cancellation of THG068696 and Dismissal of Permanent Application TV-201001

Dear iHaul, LLC:

On December 23, 2020, iHaul, LLC requested that the Washington Utilities and Transportation Commission (Commission) cancel its permit because iHaul, LLC is no longer operating.

Based on the request, the Commission **cancel**s THG068696 and dismisses the permanent application TV-190287. iHaul, LLC must **cease** all operations associated with this permit. If you advertise or operate as a household goods mover without a valid permit, the commission may take enforcement action against you.

Please note: You must submit an annual report for that portion of the year in which your company operated. You must also pay the annual regulatory fee if you discontinue operations after the reporting year ends (December 31). If you have questions about annual reports and/or regulatory fees, please contact annualreports@utc.wa.gov or 360-664-1157. For all other questions, please contact Licensing staff at 360-664-1222 or transportation@utc.wa.gov.

To reinstate your permit, download the reinstatement application at www.utc.wa.gov. To locate application instructions, type “File Your Transportation Application Electronically” in the site search bar, and select this link. Then, click on the appropriate industry application.

Sincerely,
