

ORDINANCE NO. 20-03
AN ORDINANCE AMENDING MASON COUNTY CODE CHAPTER 6.72.030—
SOLID WASTE HANDLING ADDING SECTION ON
SOLID WASTE FLOW CONTROL

AN ORDINANCE, amending Mason County Code Chapter 6.72, Section .030, adding section "I" establishing "Solid Waste Flow Control";

WHEREAS, Mason County is charged by Chapter 70.95 RCW with responsibility for adopting a comprehensive solid waste management plan to control the disposal of solid waste generated and collected within its boundaries; and

WHEREAS, RCW 36.58.040, authorizes the Mason County Board of Commissioners to provide by ordinance for the establishment of a system of solid waste disposal for the unincorporated areas of the County, to designate disposal sites and enter agreements with operators of disposal sites relating to utilization of and rates for solid waste handling systems, plants, sites and other facilities;

WHEREAS, RCW 36.58.040 and RCW 36.58.045 authorize the County to fund its expenses incurred in connection with RCW 70.95

NOW THEREFORE, BE IT ORDAINED, that the Board of Mason County Commissioners hereby amends Chapter 6.72 of the Mason County Code, "Solid Waste Handling", by adding Section .030 (I), entitled "Solid Waste Flow Control" and to read as set forth on Exhibit 1, attached hereto and incorporated by reference.

DATED this 7th day of January, 2020

ATTEST:

Melissa Drewry, Clerk of the Board

**BOARD OF COUNTY COMMISSIONERS
MASON COUNTY, WASHINGTON**

Kevin Shutty, Chair

APPROVED AS TO FORM:

EXHIBIT 1
ORDINANCE NO. 20-03

Chapter 6.72.030
Solid Waste Handling

(i) Solid Waste Flow Control

(1) Facility Description. The Facility designated is declared to be the Mason County Eells Hill Transfer Station located at 501 W. Eells Hill Road, Shelton, Washington.

(2) Geographic Area Affected. The geographic area subject to this flow control, and for which a required use order may be issued pursuant to and shall constitute all areas located within Mason County.

(3) Type and Quantities of Solid Waste. The types and quantities of solid waste, which shall be subject to this flow control ordinance and for which a required use order may be applicable, shall include all residential, commercial and industrial acceptable waste generated in Mason County, Washington.

(4) Persons Subjected to this Ordinance. The persons subjected to this flow control ordinance and who may be required to use the Eells Hill Transfer Station under a required use order are the following:

- a. Any local unit of government, occupant of single family or multifamily residence, retail business, commercial business or industry or any other legally recognized entity located in or collecting solid waste within Mason County.

(5) Tipping Fees/Rates and Charges. The tipping fee to be charged to the required users of the Facility shall be payable to Mason County and set by the Consumer Price Index (CPI-U) for the Mason County solid waste transfer station (Eells Hill Transfer Station). The rates are available at the Mason County Public Works Solid Waste Division and can be found at the Utilities and Waste Management/Solid Waste Division website.

(6) Effective Period. The effective period for enforcement of this municipal waste flow control ordinance shall be from April 1, 2020, through December 31, 2030. The effective date of this solid waste flow control ordinance is April 1, 2020.

(7) Authorization. The Board of County Commissioners pursuant to Chapter 36.58.040 RCW of the Washington State Legislature may establish by ordinance a system or systems of solid waste handling for all unincorporated areas of the county or portions thereof and designate disposal sites.

(8) Exceptions to Required Use. Mason County has the right to designate alternate disposal sites when the Public Works Director or Deputy Director finds it necessary for the immediate preservation of the public health and/or safety that additional or alternative disposal sites be designated on an temporary operational or emergency basis, the Director of Community Services may approve additional disposal sites upon notification to the Chair of the Board of such temporary operational need or emergency.
