

## BC Water Co LLC

### IMPORTANT NOTICE

BC Water Co LLC (“BC Water” or “the Company”), on February 18, 2022, filed for approval from the Washington Utilities and Transportation Commission (Commission”) to increase one of our ancillary charges.

BC Water recently has started to have customers who are behind on payments for water service. This causes the company to also be late on its on-going payment to various vendors and to cover expenses. To help reduce these late payments, we will be requesting from the Commission a late payment charge to be added to our tariff.

This late payment charges will only apply to customers who are late in their payment and will not effect most of our customers who pay timely. The effective date is Apr 1, 2022.

The late payment charge will be as follows:

Late Payment Charge (whichever is greater)  
2% of unpaid Balance or Minimum \$2.50, billed monthly

The UTC has the authority to set final rates that may be either lower or higher from the Company’s request, depending on the results of its investigation. Commission staff will make a recommendation to the Commissioners at an open meeting which is scheduled for 9:30 am on Thursday, March 24, 2022.
