Re: Whidbey Telephone Company – Thirteenth Revision of Sheet No. 101 Canceling Twelfth Revision of Sheet No. 101; Fifteenth Revision of Sheet No. 101.b Canceling Fourteenth Revision of Sheet No. 101.b; Seventh Revision of Sheet No. 351 Canceling Sixth Revision of Sheet No. 351.

Dear Ms. Maxwell:

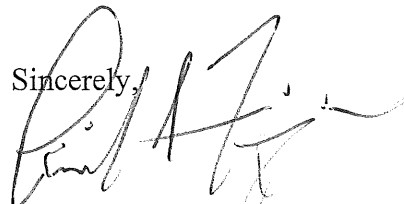

Attached for filing you will find the above referenced tariff sheets for Whidbey Telephone Company (the "Company"). The purpose of this filing is to increase the rate for business service to be equal to the rates for residential service.

This proposed increase affects 303 access lines, but a smaller number of customers due to multi-line accounts. The increase to revenue for the business customer class to the Company is approximately \$16,544 annually, which is approximately a 2.67 percent increase in revenue from business customers. As a result, under WAC 480-07-505(1) this filing does not meet the standard of a general rate increase.

The purpose of the filing is to cover increased operating costs incurred by the Company.

A copy of the customer notice is attached.

Sincerely,

RICHARD A. FINNIGAN
