UTIL. AND TRANSP.  
COMMISSION

Enclosed are proposed revisions to Tariff # 9 of Rubatino Refuse Removal, LLC (G-58).

The proposed tariff update makes the following changes:

- Updates the annual recycle commodity credit which is set to expire July 1, 2022
- Changes the residential billing cycles from 2 months to 3 months.
- Clarifies language as to frequency of charges for multi-family recycling service.
- Adds multi-family recycling for customer-owned compactors.

We request Less than Statutory Notice handling with rates to become effective July 1,2022, due to the current recycle rates expiring at that time.

If any additional information is required, please contact me at (509) 924-5678 x217 or at johnl@rubatino.com

Sincerely,

John Lloyd
