Hi Patrick,
I want to voluntarily dismiss the application.
Is there a form I need to fill out?
Thanks,
Sam.

Sam, as a reminder, if you want to voluntarily dismiss the application and be able to get a refund, I need you to email that request to me so I can add it to the application docket. Otherwise, the application will be involuntarily dismissed and there will be no refund. You can reply to this email stating that you'd like to have the application dismissed as we discussed on the phone.
