RE: Advice 22-06—Rule 11A—General Rules and Regulations

PacifiCorp dba Pacific Power & Light Company (PacifiCorp) submits this proposed tariff applicable to PacifiCorp's electric service in the state of Washington in compliance with RCW 80.28.050, WAC Chapter 480-80 et. seq., and the Washington Utilities and Transportation Commission's (Commission) Rules and Regulations. PacifiCorp respectfully requests an effective date of January 27, 2023.

First Revision of Sheet No. R11A.1 Rule 11A General Rules and Regulations—
Discontinuance of Service for Nonpayment

The purpose of this filing is to add language to Rule 11A to implement moratoriums on disconnection for non-payment during times of extreme weather and poor air quality. PacifiCorp has been implementing disconnection moratoriums in Washington in compliance with Commission rules and also of its own accord during extreme weather events. PacifiCorp proposes to modify Rule 11A by adding language memorializing the different types of extreme weather and air quality criteria under which PacifiCorp will implement a disconnection for non-payment moratorium in its Washington service area.
