Re: Basin Disposal of Yakima, LLC - G-45 – Tariff Submission to Correct Item 240 -
Commercial Cart Rates

Attached please find updated tariff pages for Tariff No. 6. This filing is necessary to add commercial cart rates to Item 240, as they were inadvertently left out of the tariff in the last general rate case, TG-230188.

This tariff revision will not result in any additional revenue, as these customers are currently billed at the correct rate. This is not a new service, only a tariff correction matter.

We are filing this tariff correction with Less than Statutory Notice, per WAC 480-70-276. We respectfully request that this tariff correction become effective July 1, 2023.

If there are any questions, please contact me at 509-544-7709 or Francisco@BasinDisposal.com.
