

Second Revision of Sheet No. 22.1

WNU-1

Washington Water Supply, Inc.

For Commissions

Receipt Stamp

SCHEDULE NO. 22.2
OPERATIONS SURCHARGE

Availability

This schedule is available in the Echo Glen water service area served by the Utility and at the Utility's option and capability to maintain Department of Health standards of quantity and quality.

Applicable

Applicable to any connection or customer of the Utility company.

Conditions

The charge for this service is subject to the rehabilitation of the well restoring the water production from the well to design standards. This charge will be a monthly minimum bill for this class of service and will be in addition to other charges as provided in this tariff.

Monthly Charge

Rate

Each connection or customer (single connection)
\$60

Purpose

This system surcharge is to repay the utility for the cost of trucking water to the system while repairs to the well are effected, to meet daily demand as required by the Washington State Department of Health.

The surcharge will expire July 31, 2024 upon recovery of \$6000 for the trucking of water to the Echo Glen system. Taxes for the imported water is included in the trucking fee.
