**RE: Go2Uno, LLC Petition for Registration as a Competitively Classified
Telecommunication Company**

Dear Ms. Maxwell,

Please find the Petition for Registration and Competitive Classification filed on behalf of Go2Uno, LLC (“Go2Uno”). Also attached is Exhibit B which contains the confidential financial information subject to exemption from public disclosure consistent with RCW §80.04.095 and WAC § 480-07-160.

The document for which Go2Uno seeks exemption as confidential consists of highly sensitive and confidential financial information that it does not ordinarily disclose to the public. This information is not publicly available and, if disclosed, would cause significant competitive harm. Accordingly, Go2Uno respectfully requests that the Washington Utilities and Transportation Commission designate the document containing this information as confidential in its entirety and withhold it from public inspection. Pursuant to WAC §§ 480-07-160(5)(a)–(c), Go2Uno is providing both a public, redacted version of this submission, as well as a confidential version that includes an unredacted copy of Exhibit B.

If you have any questions regarding this filing, please contact me at (407) 260-1011 or regulatory@csilongwood.com.

Respectfully submitted,

/s/ Mark Lammert
