RE: Tariff Submittal, Tariff Number 18, Revised Tariff, Peninsula Sanitation Service, Inc. G-011

Dear Ms. Maxwell:

Attached please find revised pages for Tariff Number 18, for Peninsula Sanitation Service, Inc. G-011.

With this filing, we respectfully request the Commission approve the revised Tariff pages on Less Than Statutory Notice effective September 15th, 2023.

This Tariff filing is to make an administrative correction to implement previously approved rates, which the Commission heard on August 24, 2023 in docket TG-230518. The tariff sheets stamped as approved, however, were the tariff sheets originally proposed by the Company in June 2023, and not those agreed upon between Staff and the Company as a result of Staff's investigation. Because the latter rates are lower than those originally proposed, no rates are increasing because of this administrative correction filing. Customers were previously notified of Tariff Changes due to a general rate filing on June 30, 2023.

We appreciate the Commission's consideration in this matter.

If you have any questions regarding this filing, please contact me at (360) 448.6954, or brian.vandenburg@wasteconnections.com.

Sincerely,

Brian Vandenburg
