Re: NEW, CNGC Advice No. W23-09-06, CARES Housekeeping Filing

Dear Director Hunter:

Cascade Natural Gas Corporation (Cascade or Company) submits the following revision to its Tariff, WN U-3:

Twelfth Revision of Sheet No. 302

The purpose of this filing is to revise a typographical error in the table listing the energy and arrearage relief discounts available under the Cascade Arrearage Relief and Energy Savings (CARES) Program. The Area Median Income (AMI) column currently states that Tier 4 is applicable to households that have an income between 15% to 36% of AMI. This is corrected to state that Tier 4 applies to households with cumulative incomes that total 25% to 36% AMI. This is not a substantive change; this merely corrects a typographical error.

The Company has attached a Less than Statutory (LSN) form seeking a waiver from RCW 80.28.60 and WAC-480-80-121 to allow Sheet No. 302 to become effective October 1, 2023, which is commencement day of the Company's CARES Program, for which Schedule 302 defines the available discounts.

This filing is comprised of the following files:

NEW-W23-09-06-CNGC-CARES-Housekeeping-CLtr-09-15-2023.pdf
NEW-W23-09-06-CNGC-CARES-Housekeeping-Trf-09-15-2023.pdf
NEW-W23-09-06-CNGC-CARES-Housekeeping-LSN-09-15-2023.pdf

The Company notified its Advisory Group that it would be making this clean-up filing.

Please direct any questions regarding this filing to me at (208) 377-6015 or Chris Mickelson at (509) 734-4549.

Sincerely,

/s/ Lori Blattner
