RE: Petition for Exemption from WAC 480-15-302(11)

Dear Kathy Hunter,

My name is Michael Hurley, and I am the owner of Hurley Piano Services, LLC. I am writing regarding my household goods permit #THG0057201. We are a new ownership group and the HHG process has been a learning curve. In the last year, we have received so many spam and marketing letters and emails regarding our HHG permit, that we were having difficulties determining what was valid and what wasn't. It had become our practice to contact the UTC office to validate if something was legitimate or fraudulent. It seems that in that process, we mistakenly disregarded important notice of annual report and renewal from the UTC office. We are petitioning for exemption from WAC 480-15-302(11) since it has been less than 12 months. We feel much more confident in our understanding of our regularly required responsibilities in regards to our permits and feel convicted that this type of oversight will not happen again.

Thank you for your consideration,
