**BEFORE THE WASHINGTON UTILITIES AND TRANSPORTATION COMMISSION  
LESS THAN STATUTORY NOTICE REQUESTED BY:**

**\* Company proposes to change (Include Title of Provision, Tariff number and Sheets/Pages being changed):**  
RCW 81.28.050 - The 45 day notice to customers

**\* Present provisions are:**  
A 45 day notice to customers

**\* Proposed changes are:**  
As stated in WAC 480-70-271 (2)(a), we are requesting to be allowed to notify customers on their first bill

**\* Explain why the company is proposing this tariff revision:**

Recent potential interpretations of RCW 81.28.050 make it unclear whether the long standing practice of following WAC 480-70-271 (2)(a) can be done without a LSN when submitting awith a disposal-only rate filing.

**\* Explain why the Commission should allow this tariff revision to take effect with less than 30 days' notice (45 days' notice for solid waste):**

We are not requesting the revision of rates take effect in less than 45 days, we are asking that the customer notice can be completed as outlined in WAC 480-70-271 (2)(a)

**WASHINGTON UTILITIES AND TRANSPORTATION COMMISSION**

**ORDER**

The Commission finds good cause to support the request and authorize the proposed changes to become effective with Less Than Statutory Notice on:

DATED and signed at Lacey, Washington, this 21st day of December, 2023 (Month/Year)

By direction of the Commission,

\_\_\_\_\_  
Kathy Hunter  
Acting Executive Director and  
Secretary
